Brief History of the TNBA

The National Bowling Association (TNBA) – The National Bowling Association, Inc was organized August 20, 1939, in Detroit, Michigan, for the purpose of encouraging Negroes to develop their skills in the game of Ten Pins. It was originally known as the National Negro Bowling Association because at the time of its birth, African Americans and other Non-Caucasians were not permitted to belong to the former American Bowling Congress (ABC) or the Women’s International Bowling Congress (WIBC), now known as the United States Bowling Congress (USBC) because of certain restrictive clauses in their constitutions. In 1944 it was renamed The National Bowling Association, Inc (TNBA). Please refer to TNBA tri fold for more detailed information pertaining to the history of The National Bowling Association. This tri-fold will be required reading of all Youth Council members.

We encourage you to establish strong Youth Council Programs on a local level and encourage our youths to participate on a national level. Any questions on establishing a Youth Council Program please contact John W. Collins, National Youth Council Director, at (248) 872-8911 or via email at jwcmc12@aol.com.
